

# MAD SCIENCE®

ENRICHMENT PROGRAM

## REGISTRATION FORM

**Sparking  
Imaginative  
Learning**

### Hey Eagles!!!

Are You Ready for Some More Hands-On Science Fun?

**Details: Wednesdays, starting April 19th  
through May 24th.**

6-week program Cost: \$95.00 per student

Grade: TK- 5<sup>th</sup> Time: 2:30pm - 3:30pm

**The Registration Deadline is April 18th.**

*Classes to be held at Evergreen after school ends.*

**Please mark your calendar with all important dates.**

### Exciting Hand-On Classes!

#### All About Animals

What is an animal? Children explore the animal kingdom and learn about the habitats, adaptations and life cycles of their favorite creatures. They experiment with animal calls and camouflage, and create their own Animal Tracks to take home.

#### Energy Burst!

Children explore the energy of motion. Explore and experiment with potential and kinetic energy. They check out the kinetic energy in rubber, launch marshmallows out of a mini Projectile Launcher, and reach their potential with the Catapult Take-Home.

#### Mix It Up

It's time to shake up solutions and explore mixture chemistry. Children sort out mixtures, see how a Poly-density bottle works, and conduct a class experiment with light refraction. Your Diffraction Glasses take home lets you separate the light around you!

#### Moving Motion

Children catapult into Newton's three laws of motion! They yank a cloth from under dishes, and learn how energy is transferred. They see action-reaction forces at work with the twirling Newton Spinner Take-Home.

#### Radical Robots

Children become wrapped up in the world of robotics! Program a maze-running Bee-Bot, design your own robot, and practice using a robot arm! Build your own Robot Hand—a human-like end effector.

#### Super Power Sources

How do we make electricity? Children explore renewable and non-renewable resources for power generation. They use mechanical force to turn on fans, and find out what makes a battery work. The Crank'n Shine gives children a chance to generate light!

## ALL REGISTRATIONS MUST BE COMPLETED ONLINE

### To register for Mad Science:

1. Go to [northorange.madscience.org](http://northorange.madscience.org), enter and click "After-School Programs," then "Register Now."
2. Select "Evergreen Elementary School" from the location list and follow a few simple steps.
3. You will have to create an account if you have not registered with us. If you have registered through us before, use the "Edit" button to change the grade and teacher for your child.
4. Make sure to click on the box marked "select to register" after your child's name for that child's registration.
5. Choose your payment option. We accept Visa, MasterCard, and Discover. An email receipt will be sent to you.

**No internet access or credit card?**

**Please call us at (714) 482-0121 to make arrangements.**

## DON'T DELAY ... ENROLL TODAY!!

Important information on the back.

## Mad Science Policies

- *Registrations are not accepted on the same day that class begins.* Payment and student enrollment must be made at least one day prior to the first class. **Any registrations requested on or after the first class need to contact the Mad Science office to check for space available.**
- All refund requests must be made before the second class and are subject to a \$10 processing fee.
- A minimum enrollment of 10 students is required to run the program. *If there is more than 1 class time offered, each class must meet the minimum enrollment to run at it's offered time.* Students are divided by age, as needed based on enrollment. All students of a particular grade may not be in the same class.
- If your child misses a class, it will not affect their progress in the After School Program. There are no prorates or refund for missed classes.

### Student Responsibilities

- Mad Science strives to provide a fun and safe learning environment at all times. Students are required to adhere to basic behavior guidelines. All school rules are still in effect as well as Mad Science requirements. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

### Parent Responsibilities

- For the safety of the children, the Mad Science pick up location is at the front of the school unless stated otherwise.
- **Please notify us when you register your child of any health issues - allergies, food or environmental, and any other issue(s) that we need to be made aware of.**

MAKE YOUR NEXT  
**BIRTHDAY PARTY!**  
A BLAST!

Vortex Generators • Cool Chemical Reactions  
Slippery Slime • Rocket Launches • Cotton Candy

Holiday Parties! Family Get-Togethers! School Fairs!

Mad Science can be there with science shows, slime, and other fun things for kids. Indoor or outdoor, we come to you!  
Call us today or check us out online.

### BIRTHDAY PARTY COUPON

**FREE GRAND FINALE!!!**

(\$40 value)
